Dear Friend,

The Greater Pittsburgh Police Emerald Society is a chapter of the National Conference of Law Enforcement Emerald Societies. Our objectives are to recognize and promote the contributions of our Irish heritage among Irish/American Law Enforcement Officers. We further strive to enhance understanding and mutual co-operation between the public and Law Enforcement in an effort to provide safety to our citizens, and reduce the impact of crime on our communities.

On behalf of the Greater Pittsburgh Police Emerald Society, this is a request for your support through monetary, product, or in-kind service donation, for our annual golf outing, The "Lou Smith Memorial Open". This event will be held this year, as in the past, at the Murrysville Golf Club, Murrysville, PA., on August 27, 2021 at 10:00 A.M.

The Greater Pittsburgh Police Emerald Society's various events are an ideal opportunity for you, and your company to promote your company and/or products. Our membership consists of Law Enforcement Officers all over Allegheny County and beyond. We would be proud to identify you, and your company as supporters.

We appreciate your consideration and look forward to your participation.

Thank you, Stay Healthy and BE SAFE,

Gerard "Jerry" Purcell (Retired K-9 Div.)

Penn Hills Police Department

Golf Committee Chairman

Michael Crespy (Retired Sergeant)

Penn Hills Police Department

Golf Committee Co-Chairman
