To All GPPES Members and Friends,

August 19, 2022 will be the date of the second annual "Lou Smith Memorial Open". This golf event has gone on for approximately 20 plus years. It is our main source of fund raising for our organization. In 2020 we dropped from 103 sponsors (Hole and Tee) to 33. This was due largely to the Covid Crisis. Totally understandable that businesses and individuals were strapped and could not afford to help as they had in the past. Last year, 2021 we sent out 138 requests for sponsorship. Most of these were former sponsors, who from Lou's hard work, have been with us for years. We came out with 61, almost double the 2020 number. This was done with Your help. And We Thank You.

Once again, I'm asking all GPPES members and Friends to consider sponsoring a Tee or Hole. This can be done by contacting family or friends that have a business and would like to show their support. It can also be done by individual members going together on a sponsorship for what ever the reason be: A Memorial to a Family member or Friend, it doesn't have to be a business but whatever message (with- in the printing parameters) you would like to convey.

One more thought before I close. Although this is a golf event, please notice that we are open to anyone who would like to come out to the course, socialize, and join us for dinner. The Food is Great and the refreshments are cold.

All forms, golf registration and sponsorship info and forms are on this site. If you cannot locate them or have a question please email or call me directly @ 412 378 2913.

Thank you for your time. Thank you in advance for any consideration of sponsorship you may have. Until we meet, God Bless, Good Luck, Stay Healthy and Be Safe.
